Q-3(B) Draft a press release on celebration of sports day at your college. **07**

OR

Draft a press release on the blood donation camp organized by a company.

Q-4 Write a précis of the following passage in about one-third and give it a title. **14**

When we survey our lives and efforts we soon observe that almost the whole of our actions and desires are bound up with the existence of other human beings. We notice that whole nature resembles that of the social animals. We eat food that others have produced, wear clothes that others have made, live in houses that others have built. The greater part of our knowledge and beliefs has been passed on to us by other people though the medium of a language which others have created. Without language and mental capacities, we would have been poor indeed comparable to higher animals.

We have, therefore, to admit that we owe our principal knowledge over the least to the fact of living in human society. The individual if left alone from birth would remain primitive and beast like in his thoughts and feelings to a degree that we can hardly imagine. The individual is what he is and has the significance that he has, not much in virtue of the individuality, but rather as a member of a great human community, which directs his material and spiritual existence from the cradle to grave.

Q-5(A) Translate the following passage into Gujarati. **07**

Ours is an age of science and technology. Science has become inseparable from our life. It has brought about many social, economic and psychological changes in our life. The emergence of science is a new awakening for mankind. In the initial stages of its advancement, science seemed to offer tall promises. It has opened new avenues of knowledge and brought man on the threshold of many unknown lands. Science instilled in him confidence, courage and power. In course of time, science revealed that it had the potentiality to destroy the whole world and exterminate mankind.

Q-5(B) Translate the following passage into English. **07**

જ્યાં સુધી તમારું મન શાંત નહિ હોય ત્યાં સુધી તમે શારીરિક રીતે સ્વાસ્થતા અનુભવી શકશો નહિ. તમારા મનને પ્રસન્ન રાખો અને ખુલ્લી હવામાં જરાક લાંબા અંતર સુધી ચાલો. કોઈ સારું પુસ્તક કે સામાયિક વાંચો, કોઈ શોખ કેળવો. જેમ કે રમતગમત, સમાજસેવા અથવા પ્રવાસ, જેથી કરીને તમારું મન સ્વસ્થ બને.
