- Que. 5 (A) Translate the paragraph into Gujarati. (07)
- We all know that a thought is happiness and another thought is sorrow. Meditation is the spiritual technology to train our mind to generate pleasant, positive and elevated thought. Meditation means to sit with us and talk to us to remove any waste or negative thought in our mind.

- Que. 5 (B) Read the following paragraph and answer the questions given below. (07)
- We all know that our mind is flooded with all kinds of thoughts. As the thoughts, so is the mood. We normally say that a person is fickle minded means his mood often keeps on changing. He is not stable. He is not decisive. He changes his decision very often. Such people cannot earn the faith of others. We cannot believe them because they change color just like a chameleon. The reason is that we have waste, negative and vicious thoughts.

Questions:

1. What is our mind flooded with?
2. How is the mood created?
3. Who is known as fickle minded?
4. Is the fickle minded person stable and decisive?
5. Can such people earn the faith of others?
6. Why can't we believe them?
7. What are the reasons of fickleness?
