About the Workshop

This one-day workshop explores the principles of commerce and management as rooted in Indian Knowledge Systems (IKS), drawing insights from ancient texts such as the Arthashastra, Vedas, Upanishads, and traditional business practices. It highlights ethical trade, value-based leadership, sustainable wealth creation, and social responsibility as integral aspects of economic activity. By connecting timeless Indian wisdom with contemporary commerce and management practices, the workshop aims to provide participants with a holistic perspective that promotes integrity, inclusivity, and long-term organizational and societal well-being.

About the University

Bhakta Kavi Narsinh Mehta University (BKNMU), Junagadh, was established in 2015 by the Government of Gujarat to strengthen higher education in the Saurashtra region. Named after the renowned saint-poet Narsinh Mehta, the university is committed to academic excellence, research, and social responsibility. BKNMU offers a wide range of undergraduate, postgraduate and PhD programs across disciplines such as Commerce, Management, Arts, Science, Law, Education, and Social Sciences, with a strong focus on research-driven and skill-oriented learning.

About the Department

The Department of Commerce and Management, Bhakta Kavi Narsinh Mehta University, was established with the objective of promoting quality education and research in the fields of commerce and management. The department offers postgraduate programs such as M.Com (Accountancy and Banking & Finance) along with PhD programs in Commerce and Accountancy. With a focus on contemporary business practices, financial research, and sustainable development, the department actively engages in seminars, workshops, and research activities to bridge the gap between academics and industry.
