

INSPIRE INTERNSHIP - 2019

(Innovation in Science Pursuit for Inspired Research)

Sponsored by

Department of Science & Technology,
Government of India, New Delhi

Organized by

Department of Life Sciences & Department of Chemistry

Bhakta Kavi Narsinh Mehta University, Junagadh,

Gujarat (India) Ph. (O) 0285-2681400 Fax: 0285-22681503 Email ID: info@bknmu.edu.in

Date

June 20th to 24th, 2019

Venue: **Junagadh Agriculture University, Junagadh**

About the Internship / Program

One of the components of "Scheme for Early Attraction of Talent for Science (SEATS)" is INSPIRE Internship program by the Department of Science and Technology, New Delhi in which annually about 50,000 students of top 1% performers in Class X board examinations and pursuing science at higher Secondary level are being given an exposure with leaders in science in the Summer/Winter camps to experience the joy of innovations. These Science Camps essentially nourish the curiosity of children in science; help them to think out of the box and attract the students at an early age of 16-17 years (i.e. in XI standard) to enroll in science subjects.

About 150 students will be selected for this 5 days residential camp. **The camp will be addressed by 10-11 eminent Scientists/Professors from premier institutes of India.** The morning sessions will be devoted to interactions with the mentors who will share their experiences of scientific pursuits, motivation and how they stumbled upon questions of interests. The afternoon sessions will be dedicated to hands-on experiments where students will perform simple guided experiments in microbiology, biotechnology, physics, and chemistry. In the evening sessions, students will be engaged in discussions based on the guided experiments they performed. Further, students will also participate in discussions on scientific reasoning, and identifying scientific solutions to global issues.

Class XI Students Pursuing Science and...

- **Gujarat State Board : 86.4% and above**
- **The student should have not attended a similar internship camp elsewhere earlier**

❖ **No Fees**

❖ **Free Boarding and Lodging**

❖ **Free registration kit**

Interested eligible students should fill up the application form. The completed application with two passport size photo and an attested copy of the Class X mark sheet should be submitted to the respective Principal/Head of the Institute. The Principal or Head of the Institute shall verify, endorse the student application form and **send all applications to the coordinator on or before June 10th 2019.**
